Compliance with European Parliament and Council Directive 1907/2006, REACH

Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), establishes a European Chemicals Agency to regulate chemicals and their safe use.

Spansion is a non-European manufacturer of flash memory products. Spansion products are defined as non-emitting articles, and are not regulated under REACH.
